Highlights

Sexual Harassment

- 38% female, 26.8% male, 64% TGQN graduate/professional students reported harassment
  - Of those reporting harassment, 25.2% females, 17.1% males, 71.4% TGQN experienced harassment by faculty
  - Of those reporting harassment, 81.4% females, 81.1% males, 55.2% TGQN experienced harassment by other students

Resources

- ≤ 28% male and ≤ 21.9% female graduate/professional students were aware of services provided by SHARE
- ≤ 23.1% male and ≤ 20.9% female graduate/professional students were aware of services provided by Office of Affirmative Action/Diversity & Inclusion/Title IX Coordinator

Reporting

- Only 23% grad/professional females & 22.7% males were “very” or “extremely” knowledgeable about where to get help at the university if a student or friend experienced sexual assault or sexual misconduct (knowledgeability about where to make a report was ≤ 23.4% for males and ≤19.1% for females)
  - 21% female, 6.2% male, 19.6% other gender undergraduates experienced nonconsensual penetration or sexual touching involving physical force or incapacitation since entering college
